Director's Notes

I am happy to have been offered the opportunity to direct and choreograph once again for the Musical Comedy Guild of Sault Ste. Marie, and, as with *The Music Man*, again for a show in which I once appeared as a performer. In 1988 I was cast as one of the three Proteans in the professional summer stock production of *A Funny Thing Happened on the Way to the Forum* for Huron Country Playhouse, and I have never forgotten the fun that I had throughout that creative process. I hope that the cast and crew of this production are likewise left with fond memories of their affiliation with the show.

The show is one-of-a-kind: once described as “a marathon vaudeville performed in togas,” it was inspired by the comedies of the second century B.C. Roman playwright Plautus. Co-writers Larry Gelbart (*M*A*S*H*, *Oh, God*, *Tootsie*) and Burt Shevelove (radio and television writer for stars like Judy Garland, Jack Paar, Red Buttons, Nancy Walker and Victor Borge) drew upon many of the stock characters found in Plautus and created a show that combines elements of vaudeville slapstick, British farce, Broadway musical and Roman comedy. As with the plays of ancient Rome, Forum incorporates the device of “actor-as-narrator” and breaks down the invisible wall between the actors and the audience, allowing the players to address the play-goers directly. Its title is derived from a famous set-up line delivered by stand-up comics on the vaudeville circuit, “A funny thing happened to me on the way to the theatre tonight...” and the show itself actually incorporates some of Plautus’ original “one-liners” into the script and score, proving that some of the world’s oldest jokes can still delight us and cause us to laugh at ourselves.

There are several challenges faced by the director and by the cast with this type of production, including finding the right rhythm for the dialogue and the scenes to make certain that every joke is maximized, timing and pacing the show so that the physical and visual comedy work, deciding on how big and how broad to go with the actors’ performances (I say, “Go big or go home!”), and ensuring that the brilliant but challenging music of composer Stephen Sondheim is being given the proper treatment. I believe this cast, made up of both stage veterans and newcomers alike, has risen to the challenge and I thank them for all that they brought to the table. I hope that you will appreciate the fruits of their labours, and I would also like to take this opportunity to express my thanks to all of you for your support of community theatre.

Enjoy the show!

Attention home owners: All plumbers are *not* alike!

HUCKSON BROTHERS specialize in Plumbing Repairs
**"The 5 Problems Everyone Has When They Call A Plumber...
 And How Huckson Brothers Solves Them"**

1. Voice Mail. Call **942-6433** and you will talk to a knowledgeable professional plumber who understands your plumbing problem. Why do we hook you up with a knowledgeable plumber right from the start? Simple... It's good business.

2. Wasted Time. Most plumbers won't give you a real appointment time. They say "We'll be there between 10 and 4." So you have to waste a whole day waiting. Not any more! You get a precise "Appointment Window" when you call us. You don't waste a lot of time waiting.

3. Too Many Trips. Other plumbers can make 2 or 3 trips before they have the right parts to fix your problem. This costs you extra money and frustration. We stock our trucks with 185% more parts so we can fix the *real problem* the first time, saving you money.

4. Invoice Shock. This is what happens when you get charged "time & material" and the plumber gets paid more the longer he takes. Only at **Huckson Brothers** do you get *Straight Forward Pricing*". This shows you the exact amount before the work begins so you can decide. Our plumbers will even show you several low cost options so you can pick the right one for you.

5. Call Backs. Other plumbers have a "concrete Guarantee" -- when their truck leaves your concrete driveway their guarantee expires. Not with **Huckson Brothers!** With us you have a 100% SATISFACTION GUARANTEE. If you are unhappy for Any Reason - We will redo the repair for **FREE**.

1. Triple Forte *Jasper Wood-violin Denise Djokic - cello* *David Jalbert - piano*

Saturday, November 13, 2004 - 8 pm

Wow! Three of the most exciting artists in Canada combined. Violin, Cello and Piano - and what strings! both the violin and cello are stradavari *each* valued at over \$3,000,000 CDN on loan from the Canada Council. Jasper Wood just won recording of the year in the East Coast Music Awards, Denise Djokic has won the San Francisco international string competition and performed at the 2002 Grammy awards, and David Jalbert is one of only two pianists accepted into Juilliard's artist diploma programme. Two years ago he gave an amazing solo performance on our series.

2. Pinchas Zukerman with his Chamber Players

Saturday, January 15, 2005 - 8 pm Community Theatre Centre

The rumours are true! Considered one of the three greatest violinists *in the world today* - Pinchas Zukerman is coming to Sault Ste. Marie - and that's not all - he is bringing his chamber players - four of the finest string players from the *National Arts Centre Orchestra* to perform some of the greatest string quintets in the repertoire. Yes... renowned cellist *Amanda Forsyth* as well as *Dommie Deacon, Jessica Linnebach and Jethro Marks* will be joining Pinchas Zukerman. Zukerman's resume could easily fill this programme book with over 100 recordings with the world's greatest orchestras and conductors - and only subscribers will enjoy special centre seating at what is certain to be the concert of the year.

3. Lister Sinclair & Gloria Saarinen

Saturday, February 26, 2005 - 8 pm - Community Theatre Centre

This is a major event! First you will be treated to several works for solo piano by Gloria Saarinen - one of the most outstanding pianists in Canada. A child prodigy, she has had a distinguished career with recitals worldwide, and performances with many major orchestras including a tour with conductor Arthur Fiedler. She is also known as the host of the award winning television series "Musical Portraits." Following her performance she will be joined by *Lister Sinclair*. Best known for the CBC programmes *Ideas* and *A is for Ardvark*, he greatly enriched the lives of Canadians for a generation. This special presentation will feature his poetry - a series of vignettes illuminating various geographic regions of North America - each set to great classical music performed by Gloria Saarinen, with the original paintings of renowned Canadian artist - *Ted Harrison* - projected as a backdrop. The original paintings will also be on display in the lobby. *Sit back and enjoy a feast for the senses!*
